

Master Gardeners of Davidson County Junior Camp Registration

The Junior Master Gardener Camp is an education youth day camp offered by the Master Gardeners of Davidson County and University of Tennessee Extension. The purpose of this camp is to ignite a passion for learning, success, and service in youth through an educational gardening program.

Offered annually to youth in Davidson and surrounding counties, Junior Master Gardener Camp offers opportunities for youth to “dig” into such topics as botany, composting, herbs, insects, landscape design, organic gardening, plant propagation, soils, trees, vegetable gardening, and wildlife.

Hands-on activities are used to reinforce learning while also providing goodies to take home. Campers are acknowledged on the last day of camp with an ice cream party and attendance certificates.

REGISTRATION FORM

Please complete one application per child. Applications are not considered complete unless accompanied

by registration fee of \$50. Checks may be made payable to “UT Extension”. Enrollment will be on a first come, first served basis until the maximum number of campers is reached. Once enrolled, you will receive confirmation and additional instructions from UT Extension prior to the camp.

Complete and return this form with registration fee to: UT Extension Davidson County, P.O. Box 196300, Nashville, TN 37219-6300.
